BY GHANA FOOD MOVEMENT

ABOUT US

GFM is a network of food actors. We believe that Ghana's food is of great cultural and social value, has (socio) economic potential and keeps Ghanaians healthier.

We contribute our quota by celebrating, preserving and redefining Ghanaian food culture and cuisine, we encourage local production, local value addition, local employment and entrepreneurship, healthier consumption and healthy ecosystems.

By choosing to work with us, you are also a mover and shaker of Ghana's food system.
